

Summer Holidays Homework (2024-25)

From Principal's Desk

Dear Students and Parents, As we embark on the summer vacation, I want to remind you of the importance of continued learning and growth during this time away from school. To ensure that our students remain engaged and academically stimulated, we have assigned summer vacation homework for all classes. This homework is designed to reinforce concepts learned throughout the year and to prepare students for the upcoming academic term. I urge all students to approach their summer homework with diligence and responsibility. Completing these assignments will not only enhance your academic skills but also help you start the new school year on the right foot. Parents, your support in encouraging your children to complete their summer homework is invaluable. By working together, we can ensure that our students continue to thrive academically. Should you have any questions or concerns regarding the summer vacation homework, please do not hesitate to reach out to your child's teachers or the school administration. Wishing everyone a productive and enjoyable summer break!

A handwritten signature in green ink, appearing to read "Rashmi", is written over a horizontal line.

THE ADITYA BIRLA PUBLIC SCHOOL, VERAVAL
